

Studies of Minors

Consent of the Legal Guardian(s)

Admission to a regular course of study or a guest study program (in particular: junior study programme) at University of Music and Theatre Munich is not only associated with rights for students, but also creates obligations. Due to their limited legal capacity, minors therefore require the consent of their legal guardian. This consent must be submitted at the time of enrolment.

Consent to commence studies includes all study-related activities and obligations as well as the associated declarations. These activities and obligations include in particular:

- the enrolment application
- applications for further studies (re-registration), leave of absence from studies, de-registration, change of subject, change of teacher, double degree, registration for and withdrawal from examinations
- the obligation to pay contributions (in particular semester fees) or fees
- the use of the university library
- the use of IT services, in particular free Internet access
- participation in university courses and examinations, including external courses, internships and excursions (this also includes “booking”, i.e. registering for courses)

Access to the internet is unrestricted. In this regard, University of Music and Theatre Munich does not maintain any personnel or technical precautions to ensure the protection of minors (e.g. supervision or use of software to filter pornographic or criminally relevant content from the Internet).

By giving their consent, the legal representatives agree that declarations and notifications from the university will be sent directly to the minor.

I/we have taken note of the above information and accept it. I/we agree that (please enter details of the minor)

Surname, first name:	
Date of birth:	

will commence his/her studies at University of Music and Theatre Munich.

Place:
